Subject: Call from CNN reporter re Epstein

Date: Mon, 17 Aug 2009 13:39:07 +0000

Importance: High

Hi [REDACTED] – While I was in court on Friday I received a call from Conchita Sarnoff (sp?). She says that she is producing a documentary for CNN on human trafficking and one of her cases is the Epstein case. One of the plaintiff’s lawyers told her to call me. I, of course, have nothing to say. Can you return the call or do you want me to?

Her numbers are [REDACTED] and [REDACTED]. She says that she is on a deadline.
