---

Of course we can wait for you. I'm sorry. I thought that you were already back in the office.

Sorry. Can our response wait until thursday when I get back. I must admit that its hard to digest without having his letters in front of me. Your letter seems ok but again I like to read them side by side. My mom's house has caveman qualities when it comes to technology which doesn't help. Let me know. If it has to go out before thursday I can try the dial up internet and see if I can make it work.

Hi all -- I didn't receive any feedback on the draft that I sent on Friday. I have made some changes. Please let me know if you have any changes or concerns.

Thank you.
