Since I am now an "amicus," I get all of the pleadings in all of the cases. I read the receiver motion. I think the idea is brilliant, but, as usual, the pleading was very weak. I am interested to see what Judge Marra will do. One of the lawyers called me yesterday to say that an online newspaper is reporting that Epstein is a federal informant and will be released soon and will immediately leave the country.

I am going to read through all of Jay's stuff today and get back to you re Epstein.

There was an article in the paper about the plaintiffs asking Mara to appoint a receiver to make sure Epstein doesn't hide his assets. I asked Karen to email it to you (of course once she finishes her breakfast and the comics!!!!) [REDACTED]
