Hi [REDACTED] – I don't really know what is going on with [REDACTED]. When she didn't return your calls last time, she sent me an email saying that [REDACTED] was trying to find an alternate placement for [REDACTED], so we shouldn't duplicate their efforts. I talked to [REDACTED] over the weekend and she said that she is still going to Ocala and is supposed to leave on the 18th, which is Thursday. At first she said we shouldn't bother trying to find any place else and then yesterday she sent me a text asking if we could give it a shot. I don't know if it is even possible in this short timeframe. Can you call [REDACTED]? Her cell phone is [REDACTED].
