Anytime – I'm impressed at your ability to stay focused even with all of the crap associated with this case!

Subject: Thank you

Good morning, everyone. I just wanted to send a short note saying thank you for all of your hard work and support during the drafting of the responses in the Jane Doe matter. I know that, being so close to the facts of the case, I was more difficult and demanding than usual, and I appreciate your patience and willingness to listen to my perspective.
