Subject: Epstein Hearing

Hi everyone – I wanted to let you know that we left today's hearing with no decisions. If I were a betting person, I would bet that Judge [REDACTED] is going to allow the plaintiffs to seek discovery and that we will be having an evidentiary hearing a few months from now.

On another note, I just heard that I received an interview for one of the magistrate positions. The interviews are going to occur on the 24th and 27th, so keep your fingers crossed on that note, too.

I will keep you all posted.

Thank you!
