Importance: Normal

Hey [REDACTED]

Hope you are feeling well. Our thoughts and prayers are with you. I know you said you could start receiving emails on Wednesday(I waited as long as I could:) I thought I might update you SINCE we are still awaiting word from DOJ.

I have begun prepping again for GJ. It is going slow but I'm getting there. I spoke with [REDACTED] yesterday regarding another matter and she told me she had not heard anything re the Epstein matter. [REDACTED] is working on contacting the victims, I will encourage her to keep at it.

Epstein's counsel will soon be getting notification from one of the attorneys(Pauline) re her representation of [REDACTED]. [REDACTED] was contacted by Epstein's P.I.s today and made it clear to them she did not wish to speak to them. I told [REDACTED] to contact me if they should attempt to contact her again(as well as providing her the option of making a formal complaint to the local police department)

I am still sorting through [REDACTED] statement. The NY agent actually was going to speak with her again last night. I hope to have answers for you tomorrow re the Indictment.

[REDACTED] called and said that he was subpoenaed for the State trial which is set for the beginning of July 2008.

For everyones sake, I hope we will hear from someone soon. Please take care of yourself!
