Who is the CEOS attorney? They're a mixed bag so I hope this one is helpful.

I'm okay. We now have a CEOS attorney on the case while we await a meeting between Alice Fisher and Ken Starr.

The lawsuit isn't great for us – except that I hope it makes Epstein understand that our plan to give each girl \$150,000 is a heck of a lot better than \$50 million for just one. And maybe they can take Epstein's deposition?

About lawsuit against Epstein.

How are you doing? I finished a trial yesterday so began to catch up on FBI agents' Florida trip.
