Hi [REDACTED] -- I just checked out Mr. Thomas. He wrote one of the "definitive" articles about Mr. Epstein about 5 years ago. Here is the link.

Thanks again for your help yesterday. However, I may have done too good of a spin job since when I was done discussing the issue with him, he wanted to know why we hadn't indicted Epstein already.....

Hi all – I have attached a link to a local news report about the delay of Epstein's case. You have to watch an annoying commercial and then the video starts. It is a pretty good story. One thing that the analyst says that is true is that these cases do not get better for the prosecution with time.

Also, [REDACTED] talked to [REDACTED] yesterday and she ([REDACTED]) expressed frustration over the delay. It sounds like the defense is definitely misrepresenting the problem to her – telling her that WE are causing the delay. Maybe we could do a conference call with [REDACTED] and [REDACTED] so we are all on the same page?
