[REDACTED] -- Someone really needs to talk to Barry. I am happy to do so, if you want, and I will be very nice about it.

He got a strange voice mail from Barry K which the deal was 60 days--he was calling him back to say that is not the deal and the defense knows the deal as does his ASA. So they should do what they want and if it is not in accordance with our agreement we will do whatever we have to do.

Can you give [REDACTED] the heads up so he doesn't do something unexpected?

Subject: Call

Hi [REDACTED]. We had a good call with the dag's chief of staff. They seem ready to greenlight us. Strangely, just an hour later roy black called [REDACTED] to propose a "final solution" (his words not mine). [REDACTED] told him to call me. (Imagine that). So are you free later for a conf call if he actually calls?
