Hi [REDACTED]. Lucky you. You get to be the contact person re epstein while I am gone. I just talked to [REDACTED] and [REDACTED]. They are getting ready to send out the letter to lefkowitz regarding the plea deal. The letter tells epstein's people to communicate only with you and me. I asked [REDACTED] to call [REDACTED] and tell her what is going on. So she can lose her mind with him. I am sure that you enjoyed reading lefkowitz's email where he refers to our last call with him and [REDACTED] as [REDACTED] shunting them off to members of [REDACTED] staff. Lovely
