Subject: RE: Is there any word from DC?

 I learned that ███████████ is the acting chief of staff for the AAG. I called and left a message for him to see if we could get an answer one way or another.   I'm sorry but I don't know what else to do.

Subject: Is there any word from DC?

I have grand jury time tomorrow morning, and I need to know what I should do and say.

Thank you.
