[REDACTED] – This is what my pros memo says about [REDACTED] which comes from the 302's.

Jane Doe #15 never told Epstein her age, but she also never told him that she was 18. They discussed her high school soccer games and her plans to attend college in the future. In addition, as discussed below, [REDACTED] was a close friend of JD#15 and they often went to Epstein's house together. [REDACTED] told Epstein that she and JD#15 went to the same school and were in the same class, and [REDACTED] told Epstein that she was a junior in high school.
