I have no idea.

Our draft letter is with the DAAG, who participated in the meetings with Epstein's lawyers. She's had it for a few days, so I expect to have her approval very soon.

Jay and Ken Starr called Alex yesterday. Alex did not return the call. Instead, at my direction, [REDACTED] called them back. They demurred and said they wanted to talk to Alex. [REDACTED] emailed them and said "the USA reiterated that he would like me to handle all communications and inquiries related to the Epstein matter, so he does not intend to return your call unless I advise him that neither I nor my Chief in WPB is able to answer your question."

Since then we have heard nothing. Without impinging on your deliberations, do you have a sense as to what they are up to? Thanks,
