Subject: Grand Jury is off for tomorrow

Hi [REDACTED] – I am canceling grand jury for tomorrow. I am not feeling well and I am going to head home. DOJ still hasn't reached their decision and I just got word that Epstein's crew sent them another BOX of documents to "supplement" their submissions. I know I will not be able to do a good presentation tomorrow and I don't think we should take more of the grand jury's time until I know how DOJ is going to mess us up.
