Thanks, [REDACTED]. I got the original indictment package from [REDACTED]. I still don't why he never sent it down to you. Do you want me to run it over to FedEx so you have it on Monday or are the electronic copies okay?

Talked to [REDACTED] about an hour ago. No word from [REDACTED]. I didn't want to interfere with his deliberations and we know that he is aware of our time crunch so I haven't called him to see whether he reached a decision or not.

Hi guys – I think I am going to have a lawyer for the girls by Monday (keep your fingers crossed). Apparently the Justice Department has provided a grant to the National Crime Victims Foundation to allow them to provide representation to crime victims. It doesn't matter that they aren't minors anymore, they still fall within the scope of the grant. There is a legal clinic in South Carolina that provides the representation and the grant will pay for their travel to Florida as needed.
