[REDACTED],

Still no word from Mr. [REDACTED]. Just to clarify about the memory cards - [REDACTED] and [REDACTED] have both reviewed the evidence some time ago. There is no significant photographs on the cards. However, a forensic analysis was not done which would show any deleted photos. [REDACTED] has to go tomorrow to Miami. I have asked him to pick up the copies of documents, obtain the copyright date for the "Massage for Dummies" book and get a description of the memory cards - should we decide to go ahead with a search warrant. We're still working on obtaining some of the girls' phone records. I have put [REDACTED] on standby to put together the travel/phone charts once we have [REDACTED] and [REDACTED]' records. I'll give you a call once I have spoken with [REDACTED].

Thank you for the update. On the statute of limitations, it doesn't matter for the pending charges because they were indicted in time, it just matters to adding new charges.

Can you call Mr. [REDACTED] and see if he will give us the following items without a subpoena?

1. Copy of [REDACTED] deposition transcript
2. Copy of any video and/or audiorecording of that deposition
3. Transcript(s) of any other depositions taken in that suit
4. Copies of any e-mails and correspondence sent to or received from Epstein or his lawyers
5. Copies of any agreements – formal or informal – entered into between Epstein/his lawyers and [REDACTED] / [REDACTED] their lawyers.

And maybe you can ask him why there will be a press conference?

Thank you.

Subject: Epstein

Hey [REDACTED],

I just heard from [REDACTED] that Mr. [REDACTED] is holding another press conference tomorrow at Palm Beach Town Hall at 1:00pm. He called the Town of Palm Beach to see if he could hold it at EPSTEIN's residence. They told him "NO".

Also FYI, there is a three year statute of limitations on the State charges of Solicitation. ■ feels like that State or Epstein's Counsel may be waiting for those dates to pass. September/October 2005 is when most of the other victims reported so that means in Sept/Oct 2008 the statute of limitations applies.
