Hi [REDACTED] -- Do you think we have a chance? I have four hours reserved with the grand jury on March 11th. I wanted to try to do it sooner, but I think this is going to take a while. Can you come on the 11th?

I have been super-depressed about this – my poor secretary thinks I have turned into a b-----. I just can't help feeling that I am doing all of this work for nothing.

Just to update – I have a call into Lefkowitz, but I haven't heard back from him. I'll try him again tomorrow if he hasn't called back by then.

I thought the pros memo and indictment that I read were good. We talked about rearranging and thinning out the overt acts in order to clarify the particular conduct. There were a few other smaller changes as well, but unless there are major changes to the pros memo or indictment that I reviewed, I will wait for [REDACTED] and [REDACTED] to have a crack at it.

[REDACTED] and [REDACTED] – Just wanted to let you know that I gave the indictment package to [REDACTED] yesterday. If you want a preview before her edits, or if you just want to start reading the pros memo, please let me know.

Thank you.
