Where do you want to meet? I am thinking that the FBI office might be safer than our office. What do you think?

Okay. My flight leave at 3:40, but if we run over, I can catch the 6:15.

Hi ███████,

I was able to rearrange a few meetings. As of right now the schedule is as follows:

Thursday, January 31, 2008

1:30pm TBD
4:00pm █████████
6:30pm █████████

Friday, February 01, 2008

9:30am █████████
12:30pm █████████

So I think you will be fine to fly in Thursday morning and back out on Friday. Let me know if there are any problems.
