Hi [REDACTED] and [REDACTED] – Assuming that [REDACTED] gets to speak with [REDACTED] or [REDACTED] very soon and they agree with our position, what do you think about telling the defense that we expect Epstein to abide by the terms of the Agreement by January 4th, and if Epstein does not enter his guilty plea and begin serving his sentence by January 4th, we will deem him to have breached the agreement. However, we will not proceed to indictment until Epstein's counsel have had the chance to confer with DC, and give them a deadline by which they must confer. The agreement requires that we indict (or file an Information) within 60 days of notifying them of the breach.
