Hi Alex and [REDACTED] – I just reviewed Jay’s letter. It now seems that they are dissatisfied with all three prongs of our agreement (2255, 18 months’ imprisonment, and pleading to a registrable offense). I’m not sure where we go from here, but I certainly do not want to give them our evidence, since we have already given them too much information about our case. Do you want to do a conference call before you talk to Jay? Or I can come down to Miami to meet with you, if that is better.

Has [REDACTED] finished his review of the case?
Thanks.
