Subject: RE: U.S. [REDACTED] Jeffrey Epstein et al indictment

Date: Wed, 12 Dec 2007 19:57:42 +0000

Importance: Normal

I was just going through the boxes now. I have 8 boxes of materials on Epstein. Do you want everything? I was planning to send you all of the tapes/videotapes of the state interviews, the 302's, the stuff given to us by the defense (both the legal analysis and the MySpace stuff), our grand jury transcripts, the state grand jury recordings, a copy of the grand jury subpoena log, the charts prepared by the analyst showing the telephone calls between the recruiters and the girls and the flight data, a summary of each victim (including her age at the time of contact, and a description of the sexual contact she had with Epstein), and the filings related to the motion to quash the subpoena for the computer equipment.

Do you want anything else? I have around 2 boxes of legal research and lots of bank records, flight manifests, phone records, correspondence, etc. I am going to see if anyone is going down to Miami tomorrow. If not, I will FedEx the stuff.

Thank you.
