[REDACTED] - I'll finish it for you today. I have 2255 heaven for this weekend.

Are you still feeling better?

Thanks. Don't kill yourself. This won't go out today anyway. It will suffice if you can get it to me over the weekend.

[REDACTED] have had a lot of interruptions today. I am starting to address his Victim Notification Letter, but I thought you could start reviewing the first 4 pages.

I know the second sentence in paragraph 2 is harsh -- possibly even exceedingly harsh -- but I knew that you could make it sound nicer.

Thanks.
