I have been out since 3 a.m. regarding the death of two deputies. I will get back to you tomorrow or Friday - my focus is on other things and I cannot recall the date we have discussed. Lanna

Hi Barry and Lanna – Sorry to pester, but I am hoping that you can confirm that the Epstein plea and sentencing will be on December 14th? That was the date that Barry relayed to [REDACTED], but I spoke to Jack Goldberger yesterday and he said that there is no date set at all.

Epstein and his counsel are required to use their best efforts to secure a change of plea and sentencing by a date that has long since passed, so I am trying to determine the cause of the delay, especially since Judge McSorley is certainly in town. If the matter is set for the 14th, please let me know so I can include that information in my victim notifications.

Thank you very much.
