No, I think he is pleading on December 16th, and we should definitely try to keep that date on track.

Clearly Epstein believes that January 4th not December 16th is when he'll plead guilty and be sentenced. Judging from [REDACTED] email, it seems that January 4th is the date. Hopefully, I'll hear from Judge Davis today or tomorrow. Thanks,

[REDACTED] - Beyond my letter the other day, and your email to me from a few weeks ago, is there anything else you need from me regarding the plea and sentencing dates.

As we discussed, and as we have confirmed, the Court has told us she will handle both at the same time (plea before sentencing, obviously), and to the agreed-upon counts, on Jan 4. I trust I have cleared up any confusion regarding Jan 7.

Thx. Jay
