Hi [REDACTED]

Here is an update regarding the victims. [REDACTED] identified [REDACTED], DOB: [REDACTED] as another person who had contact with Epstein. [REDACTED] believed [REDACTED] went to Epstein's residence three times. We have spoken with [REDACTED]'s parents who have advised that [REDACTED] hasn't been seen or heard from since 10/22/2007 following her release from rehab and a three day stint in a halfway house. They are currently trying to locate her and provide her with FBI contact information.

Please remove [REDACTED] from the victim list as we are unable to determine her age at the time she had contact with Epstein and if she ever provided Epstein with a massage.

[REDACTED] please forward us a signed copy of the non prosecution agreement at you earliest convenience. It is our understanding that Epstein's guilty plea and sentencing hearing will take place in November. Please let us know in advance the scheduled date and time of the hearing. Thanks.
