Hi [REDACTED] - You don't have to show me the letter to Jay before it goes out, I would just appreciate a copy for the file.

Thank you for the advice and the pep talk. The funny thing is that I had never met (and still haven't met) or spoken to Bert Ocariz before I asked him if he would be willing to take on this case. I just figured if Judge Jordan and [REDACTED] trusted him completely, he would be willing to go to the mat for the victims. But as soon as you mentioned the appearance problem, I saw where the problem would arise and agreed that the Special Master would be a safer route. I just worry that the defense's attacks on me could harm the victims.

I am going to set up the meeting with the FBI agents for later this week. Other than the general discussion about staying out of the civil litigation, is there anything in particular that you want me to tell them?

Thanks.
