---

Hi Judge Martinez! I am back in town after taking some time off. I wanted to let you know that the Office did ask Judge Davis to select the attorney to represent the victims in my case. He hasn't made his selection yet, but I think he understands the need for someone who can withstand the onslaught of defense counsel.

When he makes his selection, I will let you know.

Are you headed to Fort Pierce any time soon?

All the best,
