[REDACTED] – Are you free for a conference call with Alex at 10:00? I am going to incorporate Alex's edits and send to both of you before the conference call. One question about the [REDACTED] policy deletion – I thought that we did not want to cite to the policy in a court-filed federal plea agreement but did want to cite it if we decided not to prosecute federally at all.

I will place the call at 10:00. Thanks.
