I am going over everything now with my client in the hope that you and I only have to have one more conversation today.

I would like to propose an 1130 am conference call today (but can make it at any other time if it is more convenient for your schedules).

I think the four of us, including Marty, should be on the phone. Please let me know if you are both available at that time or if you prefer another time.

Thanks - Jay
