I have just gone through your latest draft and I think we are very close. I am still studying the 2255 issues and the foia issues, but I will send you a brief redline showing what I think are the outstanding issues.

I forgot I had another call beginning very soon on a different matter (I have been so absorbed by this I totally forgot), so I will be tied up for a bit on another call.

But please look over the edits I am about to send you. I can speak later tonight if you are up late.

Thx

Hi Jay – Can you look at this? Especially paragraph 7. I think this covers the exclusive remedy concern you had.
