Importance: Normal

Good morning, Alex. I have not received my promised phone call from Mr. Lefkowitz, and, based upon yesterday's conversations and [REDACTED] most recent e-mails, it looks like we will be indicting Mr. Epstein on Tuesday. The package has been reviewed and approved by my immediate supervisor, [REDACTED] and is with [REDACTED] now. Do you want anyone in Miami to review it as well? I think [REDACTED] back on Monday and he has familiarity with the case, so we can wait for him, or I can send everything [REDACTED] Just let me know.

Thank you.
