FYI – The Palm Beach Post reported the whole deal in today’s paper and claimed to have a “federal source” and a “spy” in Epstein’s camp.

We are still waiting for a “redline” of the agreement that they seemed happy with yesterday. [REDACTED] and [REDACTED] and Epstein’s attorneys are coming to our office on Monday to finalize everything with the plan of getting him at least arraigned on Monday afternoon. They tried to drag it into Tuesday and I said no.
