Sorry, Jay. I just got this and have to run off to the hospital. I will revise and re-email you tomorrow or late tonight.

Confidential

[REDACTED] thanks very much for speaking this am. Have conferred with my client and I think we are on the same page. When you send me your draft today, would you please also include a paragraph with 403 in lieu of 1512. I want to understand better how you would characterize the 403 violation. (What was actually said?). I want to keep studying that avenue today as well. The other possible option is to charge three 113s. Also, one other idea. Can you look at 47 usc 227(b), which is another 6 month statute which might work for the 6 months. We could do three of them, and they seem to fit the facts well.

I will call you late this pm (if you leave me a number to reach you), and then we can plan on getting this done Monday.
