Hi ████ – Thank you for your prompt response. When I spoke with Mr. ███████ he was not certain that he would represent Mr. ████, but I am following up with him directly. Is he also representing Mr. ████, who also was subpoenaed as an employee of NES? If not, can you tell me who is? Please let me know when I can expect the sworn certification from the NES Custodian of Records. If you cannot provide a sworn complete certification, then I will need to have the Custodian appear on September 18th before the grand jury.

Thank you again, and I look forward to seeing you tomorrow.

████████ – With all that is going on, you may have forgotten my letter of August 23, 2007, which I reattach. We do not represent █████ or ████. ██████████ represents Mr. ████. As to NES, we understood you added categories of documents you were requesting and also asked us to revisit the NES response to the original subpoena, and you wanted a certification. We are working on getting that done, though we may find we need a few extra days. Also, I have spoken to ███ since the August 23 letter was sent and he tells me that he understood from you that what was being requested from Mr. █████ was NES documents, not a personal appearance. I thought I would pass that along.

Hi ████ – I am writing to confirm that the NES witnesses will appear as scheduled on Tuesday, September 11th. Can you please confirm?

Thank you.
