[REDACTED],

Here is a copy of the most up-to-date addresses. [REDACTED] told me that [REDACTED] was telling her that Edwards has been talking to some of the victims that she is counseling and that he is encouraging them that 18 months is not long enough of a sentence for Epstein. I am not sure who she is referring to but that [REDACTED] is having to provide additional counseling. If you have any questions regarding this you might want to speak directly to [REDACTED].

Talk to you soon.
