[REDACTED] is out all week at a conference in OK. We hopefully will be able to provide you with more details next week.

[REDACTED] was interviewed 04/27/2007. We are unsure if a letter was provided at that time. [REDACTED] sent [REDACTED]'s Attorney the FBI Victim/Witness letter dated Jan 10, 2008.

[REDACTED] also received the FBI Victim/Witness letter from [REDACTED] dated Jan 10, 2008. [REDACTED] and I are unable to recall exactly how [REDACTED] was provided the USAO Victim/Witness letter.

[REDACTED] was interviewed by the FBI on May 28, 2008. [REDACTED] mailed [REDACTED] the FBI Victim/Witness letter dated May 30, 2008.

Hi guys – Can you get anything that [REDACTED] sent to [REDACTED], [REDACTED] and/or [REDACTED]? And do you have the dates when you provided my original Victim's Rights letter to [REDACTED]? Did we ever give one to [REDACTED]? And do I remember correctly that we gave [REDACTED] her letter on the date of the interview? And, do you have that date handy?

Thanks

Can you look through your files and set aside every piece of correspondence that was sent to either Jane Doe or her legal representative? Thanks.
