Thanks, [REDACTED]. I will ask both [REDACTED] and [REDACTED] to attend. What documents should I bring with me? And how much information is the office willing to share with the Judge if he asks, what I think will be the big question, namely:

If this deal was signed in September, why didn't the victims receive notification until yesterday?

Hi [REDACTED]:

I just received a message from Judge Marra's CRD. He would like to set a hearing for 10:15 tomorrow. Are you available?
