Subject: JE

Date: Sun, 29 Jun 2008 21:19:41 +0000

Importance: Normal

Just got word from FAA that JE's plane is flying from NY to West Palm with a stop in Georgia (probably to pick up Goldberger from his vacation). So maybe tomorrow really will happen.

The agents and I are meeting early tomorrow to finalize victim list in the hopes that he will sign the notification in the courtroom. Does that sound alright with you?

Please let me know.
