Hi [REDACTED]

Well I'm still working on the Copperfield matter but some of the higher ups are very very uncomfortable with it. One question came up about his connection with Epstein . Do you think Epstein would ever talk or cooperate ? Any provision for that in his state plea agreement?

How do I contact his lawyer/the state prosecutor/etc.

Thanks and consider yourself lucky, I think, to have your famous offender off of your hands.

Good luck with TS/Hurricane Fay!
