Your response is comprehensive and should put an end to the complaint.

Hi [REDACTED] – I was going to attach this letter to my response. It explains to the Special Master what we were looking for in an attorney for the victims. I also explain in the letter that I will ask the Court for permission to disclose the agreement to the Bar if they ask me to do so. I will attach the CFR section, too.

Anything else you can think of?

Thanks!
