~~██████████~~ Amy mentioned having received something from you by email yesterday. She thought that Bob and I were copied on it, but I have not received it. Can you please send it again ? Also, we have gone through everything and do not find the transcript of a hearing where the Judge verbally ordered JE to stay away from and and not try to contact the victims. Some of the victims have requested a stay away order. I think you told Amy about this one issued from the bench. I think it would be of some comfort if I could provide it to our clients. Don't know whether we have told you, but we now represent Danielle Hedrcik Dicenso and Molly Smythe. I am notifying all other counsel so that they will know not to contact them. We believe one of our clients may have been contacted by Brad Edwards recently. Hope all is well there. Kathy
