Subject: Follow-up re work release

Gentlemen:

I wanted to provide you with another piece of information regarding Mr. Epstein's work release. I understand that Mr. Epstein must wear a GPS unit that monitors his location. That GPS unit can be programmed with "Exclusionary Zones," which activates some sort of alarm if Mr. Epstein tries to enter that "zone." The addresses of victims' homes, workplaces, and schools can be added to that list of "Exclusionary Zones." Obviously that would require you to disclose those addresses to the Sheriff's Office. I do not know if that would also result in the disclosure of the information to Mr. Epstein or his attorneys. If, after consulting with your clients, they decide that they would like to have their addresses programmed into the GPS unit, please contact Captain [REDACTED] [REDACTED]. As I mentioned in my letter, Captain [REDACTED] can be reached at [REDACTED].

I sent a letter to Captain [REDACTED] today reminding him of my earlier request to be kept up-to-date on any changes in Mr. Epstein's custody status so that I may inform all of you in a timely manner.

Thank you.
