Subject Request for extension of time to respond -- Attn Heidi Brewer

Dear Ms. Brewer:

I am responding to a complaint from Stuart Samuel Mermelstein, The Florida Bar File No. [REDACTED].

Your cover letter asks that my response be received in your office by tomorrow (Friday), which would require me to send it via Fed-Ex by this evening. I was out for surgery yesterday, and I was hoping that you would approve a one-day extension so that it would be in your office by Monday, November 24th. Can you confirm whether this is acceptable?

Thank you for your kind assistance.
