I hope this email finds you well. You and I spoke in early December about our obtaining from you the portion of the transcript that orders JE to stay away from the victims, and then Kathy requested it via an email, but we have not received it yet. I know you may be backlogged with the holidays on top of an already full caseload. Whenever you are able to provide us with this transcript, it would be greatly appreciated. Thank you! Amy

*I know you mentioned it should have been provided to Bob and Kathy's office initially, but as far as I know they still have not found a copy there.
