Hi [REDACTED] I haven't heard back from any of the lawyers yet about whether [REDACTED] called them. Assuming that she hasn't, I am thinking that it might be more appropriate for you to call Captain [REDACTED] on [REDACTED] behalf rather than me. We can't do it in writing because any letters or e-mails would become "public records," which would result in the release of [REDACTED] name. Since you talked to her directly, I think it would be best for you to relay her message to the Captain.

I will keep you posted on whether the attorneys get back to me.
