Hi Sid -- I also need a protective order signed by you and anyone on your staff who will have access to the agreement. The faxed signature is fine for now, but please send me original signatures through the mail.

When I get a copy of your signed agreement (you can fax it to me now), I can e-mail the agreement to you.

Thanks.

Can you please provide me with all of your contact information so that I can include that in my records? And would you like copies of my letters from September and December 2008?
