Thank you [REDACTED]. We did have all of this. The Proposed protocol had just gotten separated. So what we seem to lack is whatever the defense provided to Judge Davis and the letter you have sought permission to give us, which I believe was between [REDACTED] and the defense.

<<080903 Josefsberg Letter.wpd>> Hi [REDACTED]. This was in the first packet that I sent to [REDACTED]. As I mentioned in that letter, the "proposal" for how to proceed was mine, and the defense objected to it.

If you don't have the attachments, please let me know and I will dig them out.

Thanks.
