I may be wrong, but isn't [REDACTED] on the list of [REDACTED] and isn't she represented by [REDACTED] and didn't she file suit?

Thanks. I do not know [REDACTED] and/or a girl named [REDACTED] ever sued. If so, I think that undermines their claim that the "expiration" of the NPA relieves them of their concerns.

I am not aware of any plaintiffs who filed suit and are not identified on the list, but am not certain if there was a suit filed that I do not know of (with a plaintiff not listed by the USAO). We are doing some further checking at the office.
