Hi all – I know Alex just got back, so I don't expect a signed indictment. I have time set aside with the grand jury tomorrow, and I am wondering if you have a sense of the direction where we are headed – i.e., approval of an indictment something like the current draft, a complaint to allow for pre-indictment negotiations, an indictment drastically different from the current draft? I am concerned about confusing the grand jury, which is never a good thing.

Any guidance?

Thank you.
